What is a “Legacy”?

A “Legacy” is an art work that a Sketch Club member donates to this special club sale for the benefit of the Club’s programs and renovation projects. The entire proceeds of the sale support these efforts.

A “Legacy Miniature” is a small work priced up to \$75.

A “Legacy Masterwork” is a larger work priced no more than \$200.

You also have the opportunity to sell additional works, for the standard Sketch Club commission. For each Legacy work “gifted” for the show and sale, a member can enter a regularly priced work for sale at our regular 25% commission; if two Legacies, then up to two regular-priced entries; if three Legacies, then up to three additional regular-priced entries.

If you wish to “gift” the entire proceeds of a regularly priced work, that is a “Super Legacy” and it will be highlighted at the sale.

Keep in mind, this is a sale, not just a show! Lead with lower-priced “Legacy Miniatures,” moderate-priced “Legacy Masterworks” to produce higher volume of sales. Every effort will be made to empty the Gallery by the closing date to benefit us all!
